PRO-ACTIVE PROPOSAL

OKLAHOMA HIRING DISCRIMINATION

LEGISLATIVE ACTION

September 26, 1989

STATE/LOCALITY:

Oklahoma

ISSUE:

Employment Discrimination

SUMMARY:

Secure enactment of legislation prohibiting employers

from refusing to hire, discharging or otherwise

disciplining an employee for the use of tobacco products

outside the course of employment.

LEGISLATIVE STATUS:

Anticipated 1990 legislative action

INDUSTRY ACTION

Institute legislative counsel Ken Nance is working with other industry lobbyists to identify a legislator who will be a viable sponsor for legislation of this nature. Missouri Senate Bill 440, filed in the 1989 session, is being used as a model for the Oklahoma legislation. Before the Oklahoma legislature convenes in January of 1990, legislative counsel will have met with key members of the leadership and arranged for a favorable committee referral.

Until it becomes known what opposition, if any, the Oklahoma bill will face, great care must be taken as it moves through the legislative process lest it be amended in some way unacceptable to the industry.
