Mind...Trap

Trapped and Amazed
with no exits and no
entrance. Pictures of a
haunted past run on the
fumes of a secure re-
ality.

.....My

Fanciful ideas of
an illusionary
future. A daily com-
mute in a carpool with
assumption, sitting *in*
a traffic jam of my
imagination.

mind.....

Unduplicatable ~~program~~
program with a gene-
tically installed
glitch. Master of all cre-
ativity. Slave to
its self made flaws conquer-
er of every thing the
eye can see. Prisoner
of the seer within.

My Mind, My, Mind, my, mind.
