

The Other Death Penalty / LWOP

BY

Kenneth M. Key

The other death penalty
Means death, no possibility
of ever paroling.

Steel cold steel unchanged.
Time and life continues fluent
while we stand transfixed
in time and the ReSentencing
Scheme \$ is the recycling of
things tried and tried again.

Time equals silence
as we all yell to be free
from bondage and 13th Amendment
Slavery.

Life, life and more life imposed.

Time impossible for any to do,
yet given to you in the various
ReSentencing Scheme \$

Orders yell, stand, sit,
Spread 'em -

The Resentencing Scheme =
time equal humiliation =
Life without the possibility
of parole.

- END -
