RE: Miami IAQ Presentation

July 1, 1991

R. 7/8/91

The Labor Management Committee (LMC) has been invited to address a meeting of the Sheet Metal Workers Local 32 at 7:30 p.m. on Thursday, July 11 in Miami, FL. The presentation was arranged by Florida LMC consultant Frank Ortis.

This presentation opportunity is a direct result of Ortis' participation in the NEMI seminar. It should provide an excellent opportunity to deliver our message in the Southeast region.

With your approval, I will proceed to make arrangements with Ortis for the trip. If you have any questions, please do not hesitate to call.
