AL-MIRGHANI INITIATIVE FOR RELIZATION OF COMPREHENSIVE NATIONAL CONSENSUS

The Sudan is now facing precarious challenges and dangers which threaten its security,stability and sovereignty ,even its unity and existence .This state of affairs necessitates unity of purpose ,alignment,rejecting, sharp division and disagreement. These challenges include ,to name but a few :darfur crisis, repercussions of foreign intervention ,deterioration of security state at the ground ,acute polarization between political forces multiplicity of armed militias and their presencc inside large cities (e.g.recent events in Khartoum,Malakal,Juba,Al-Fashir ans tribal disputes and conflicts;)in addition to citizens sufer-ings represented in harsh living conditions and deterioration of basic communal services.

It is inevitable ,therefore ,that all concerned ,government and oppsition alike, put the countrys supreme interests above any other interests and immediately indulge in a responsible and impartial dialogus in order to reach the minimum requirements of national consensus. The national consensus needed for solving national problems and crisis which threaten security and stability of the Sudan.

Realizing that the singed Peace Accords have firmly insured many agreed upon fundamental princples base or adressing all national problems we therefor present the following initiative.

Firstly : Inviting the country's leaders to indulge in a thorough debate and dialogue in order to reach the minimum of naional consensus on current problems .

Secondly : Proposed Agenda :

(1) Completing implementation of peace Agreements (Jaddah, Cairo, Nyfasha,Abuja and Asmara)

(2) To put the Agreement of Eastern Sudan into action.

(3) Expediting of reaching a swift and just solution of Darfur Problems which leads to ending fighting and insecurity and realization of stability ,security and peace.

(4) Revision of existing laws , especially Election law ,Civil Service Law ,Laws concerning democratic transformation ,in so far as all shall accept mechanisms systems of appealing through monitored ,fair and free presidential ,legislative and local elections .

(5) Agreement upon an economic policy which achieves development and welfare of the sudanese people.

(6) Agreement upon a unified foreign policy .

Thirdly : Agreement on a political mechanism to impliment what is agreed upon .

Forthly: The appropriate place and time of the meeting shall be determind after consultation.
