Justice is Blind

Justice is Blind
or so I'm told
can't see a thing
through that blindfold.

She cannot see
color of skin
wealthiest king
or poorest kin.

The Queens English
status by words
the ignorant
by miss used verbs.

My place of birth
my mother land
and whether I'm
woman or man.

Adds to her choice
which way sword Steers
she may be blind
but she can hear.

Let's not forget
her weighting scales
where pocket books
always preveil.

The innocent
weighs a feather
silver or gold
weights much better.

And to her sword
the choice is clear
unbalance scale
prejudice ear.

Justice is fair
I've heard men say
because her sword
can cut both ways.

Tooth for a tooth
eye for an eye
live by the sword
and you will die.

But if you're rich
you need not fear
unbalanced scales
whisper in ear.
