WE HAVE TO TRY TO GET TO IRA MAGAZINER ON THE FET ISSUE. BOTH TED AND JIM P HAVE INDICATED THAT THEY MIGHT BE ABLE TO GET THROUGH.

CRAIG HAS SUGGESTED THAT HE MAY RESPOND TO AN ANALYSIS OF THE CANADIAN MODEL AS WELL AS OUR STANDARD WHARTON ECONOMIC MODEL MATERIALS. HAVE WE INCLUDED THE AGGREGATE STATE IMPACT NUMBERS IN THE PRESENTATION YET. I THINK THIS WOULD BE HELPFUL. AS SOON AS WE PUT A PACKET OF MATERIALS TOGETHER, LET'S REVIEW WITH CRAIG AND THEN DECIDE THE BEST WAY TO PROCEED.
