ERRATUM

In the Winter 1982 edition (Volume 6, Number 1) Jeff McCausland's "The SS-20: Military *and* Political Threat" contains an error. The map on page 11 reverses the maximum ranges of the SS-4 and SS-20 missiles: the line closest to the Soviet Union should be labeled "Maximum Range of SS-4" and that furthest from the Soviet Union should read "Maximum Range of SS-20." For this error we apologize to Captain McCausland and our readers.
