For admission to an advanced Class, an examination
must be well sustained, both in these Studies, and in
the Studies through which such Class has passed.

No person will be admitted after the beginning of
the Senior year.

Examinations for admission will be held on the day

On admission, every candidate must give a bond of
\$200, with two sureties, to pay all his College bills. To
be admitted to advanced standing, he must also pay
one-half of the tuition which has accrued in the previous
terms of the Regular Course, unless he comes from
another College; provided, that, if he be admitted at
the beginning of the Senior Year, the tuition of the
Junior Year shall be the only arrears required of him.

No student who has been dismissed shall be admitted
again, unless he pays the whole tuition of the interval;

and, in the Regular Course of Study, tuition will be
charged for no period less than a year.

PARTIAL COURSE OF STUDY.

Persons who do not enter for a College Degree, and
who produce certificates of good moral character, may
be received to such Studies, in any Class, as they shall
be found qualified to pursue with profit; and they
may continue therein at their pleasure, on condition of
obeying the laws of the College, and paying one-third
more than the regular tuition for the number of Terms
they remain.
