<b>102404</b>	<b>Successful Research Strategies</b>			
Subject:	Catalog Nbr:			
DEGR	204			
<p>The course provides an overview of the ethical background and administrative procedures necessary for any research project involving human subjects. The course consist of 4 hours of lecture material, which is available on TUSK as well as the successful completion of an online examination, which is also on TUSK. In addition students need to complete 6 hours of online lectures and associated CITI examination.</p>				

<b>102469</b>	<b>Research Methodology</b>			
Subject:	Catalog Nbr:			
DEGR	103			
2022 FALL	Primary	Addy Alt-Holland		Addy.Alt_Holland@tufts.edu
<p>This is an introductory course discussing the practical considerations for designing and conducting a research project. It consists of 8 90-minute meetings. Its focus is on how to start with an idea and have it progress through the different stages of the research process, from devising a research question to conducting the student and writing-up the results.</p>
