I'M GOING TO SAY IT NOW

Phil Ochs

Oh I am just a student sir, and I only want to learn.
But it's hard to read through the rising smoke from the books
that you'd like to burn.
So I'd like to make a promise and like to make a vow,
That when I've got something to say sir, I'm going to say it now.
Oh you've given me a number and you've taken off my name.
To get around this campus, why, you almost need a plane.
And you're supporting Chiang Kai Shek while I'm supporting Mao,
So when I've got something to say sir, I'm going to say it now.
I wish that you'd make up your mind, I wish that you'd decide
That I should live as freely as those who live outside.
'Cause we also are entitled to the rights to be endowed.
And when I've got something to say sir, I'm going to say it now.
Oh you'd like to be my father, you'd like to be my Dad,
And give me kisses when I'm good and spank me when I'm bad.
But since I've left my parents I've forgotten how to bow.
So when I've got something to say sir, I'm going to say it now.
And things, they might be different if I was here alone,
But I've got a friend or two who no longer live at home.
And we'll respect our elders just as long as they allow
That when I've got something to say sir, I'm going to say it now.
I've read of other countries where the students take a stand.
They've even helped to overthrow the leaders of the land.
Now I wouldn't go so far to say we're also learning how,
But when I've got something to say sir, I'm going to say it now.
So keep right on a-talking and tell us what to do.
But if nobody listens, my apologies to you.
And I know that you were younger once, 'cause you sure are older now.
And when I've got something to say sir, I'm going to say it now.

AMERICA

Simon & Garfunkel

"Let us be lovers,
We'll marry our fortunes together.
I've got some real estate
Here in my bag."
So we bought a pack of cigarettes,
And Mrs. Wagner's pies,
And walked off
To look for America.
"Kathy", I said,
As we boarded a Greyhound in
Pittsburgh,
"Michigan seems like a dream to
me now.
It took me four days
To hitchhike from Saginaw.
I've come to look for America."
Laughing on the bus,
Playing games with the faces,
She said the man in the gabardine suit

Was a spy.
I said "Be careful,
His bow tie is really a camera."
"Toss me a cigarette,
I think there's one in my raincoat."
"We smoked the last one
An hour ago."
So I looked at the scenery,
She read her magazine;
And the moon rose over an open field.
"Kathy, I'm lost," I said,
Though I knew she was sleeping.
"I'm empty and aching and
I don't know why."
Counting the cars
On the New Jersey Turnpike.
They've all come
To look for America,
All come to look for America,
All come to look for America.
