<b>102404</b>	<b>Successful Research Strategies</b>			
Subject:	Catalog Nbr:			
DEGR	204			
<p>The course provides an overview of the ethical background and administrative procedures necessary for any research project involving human subjects. The course consist of 4 hours of lecture material, which is available on TUSK as well as the successful completion of an online examination, which is also on TUSK. In addition students need to complete 6 hours of online lectures and associated CITI examination.</p>				

<b>102469</b>	<b>Research Methodology</b>			
Subject:	Catalog Nbr:			
DEGR	103			
2021 FALL	Primary	Addy Alt-Holland		Addy.Alt_Holland@tufts.edu
<p>This is an introductory course discussing the practical considerations for designing and conducting a research project. It consists of 8 90-minute meetings. Its focus is on how to start with an idea and have it progress through the different stages of the research process, from devising a research question to conducting the student and writing-up the results.</p>

Students enroll in this course as full-time students when they receive permission to write and defend their theses from their thesis committees during the grace period. This course represents the effort in the final preparation of the thesis. A grade of "P" is automatically awarded upon completion of the thesis.
