

Green River Firefighters Association

P.O. Box 235
Calhoun, Kentucky 42327

U.S. Senators and Congressman
Representing the Commonwealth of Kentucky

Dear Senators and Congressmen,

As you know, the Green River Firefighters Association represents sixty fire departments located in the seven counties of the Green River Area Development District.

The membership of this Association voted on March 29th, 1989 to endorse passage of H.R. 673, "The Fire Safe Cigarette Implementation Act of 1989". Passage of this legislation will continue the necessary research needed to develop a fire safe cigarette. We have been informed that the tobacco industry has also endorsed this legislation.

The ultimate goal of this effort is reducing fire related injuries and loss of life. We are asking you to help us reach this goal by voting for passage of this legislation.

In a related issue we want to thank those of you who responded to our correspondence concerning the Congressional Fire Services Caucus. We want to express our continued support of the Caucus and its mission.

Thank you for considering these issues.

Sincerely,

Wayne Hunsaker
President

CC: Kentucky Firefighters Association
The Tobacco Institute
Congressional Fire Services Caucus
Congressman Rick Boucher
