

**PRO-ACTIVE PROPOSAL
HIRING DISCRIMINATION**

OKLAHOMA

LEGISLATIVE ACTION September 19, 1990

STATE/LOCALITY: Oklahoma

ISSUE: Employment Discrimination

SUMMARY: Secure enactment of legislation prohibiting employers from refusing to hire, discharging or otherwise disciplining an employee for the use of tobacco products outside the course of employment.

LEGISLATIVE STATUS: Anticipated 1991 legislative action

INDUSTRY ACTION

Institute legislative representative Ken Nance is working with other industry lobbyists to identify a legislator who will be a viable sponsor for legislation of this nature. The Colorado law, passed during the 1990 session, is being used as a model for the Oklahoma legislation. Before the Oklahoma legislature convenes in February of 1991, our legislative consultant will have met with key members of the leadership and arranged for a favorable committee referral.

Until it becomes known what opposition, if any, the Oklahoma bill will face, great care must be taken as it moves through the legislative process lest it be amended in anyway unacceptable to the industry.
