MEMORANDUM

TO: Karen
FROM: Joanna
RE: Indoor Air Quality Legislation/ CPSC Report to Congress

I Attached is a final copy of the letters sent from BCIA to Congressmen John Dingell and Henry Waxman in response to their request for more information about BCIA's position on new legislation and the building-systems approach.

II The Science, Space and Technology Subcommittee on Environment plans to hold a markup of H.R. 1066 on July 10. I've attached the draft of the substitute, as well as a summary of the changes.

III The Education and Labor Subcommittee on Health and Safety has scheduled hearings on H.R. 1066 as follows:

June 26	OSHA
July 10	BCIA and BOMA
July 17	NIOSH
July 24	NIEHS and the carpet industry

IV Attached is a final copy of the CPSC Report to Congress on their goals and activities regarding indoor air quality. This was required by a provision that Congressman Mike Synar had inserted into the Consumer Product Safety Improvements Act of 1990.
