SURVIVAL:

The IISS Quarterly

Published for the IISS
by Oxford University Press

The need for forward-looking analysis is essential during times of rapid political change. *Survival* is a leading voice in the field of strategic studies, featuring original research and innovative assessments of current international problems.

"Survival is the indispensable journal of record and analysis concerning security policy issues."
Samuel P. Huntington, *Harvard University*

With NATO troops deploying to Bosnia, the EU preparing its 1996 Inter-governmental Conference and France rejoining NATO bodies, the **Spring 1996** issue of *Survival* looks at the challenges and issues facing a partnership in transition. In this special issue, leading academics and practitioners assess European security and transatlantic relations at this crucial turning-point.

Highlights include:

- **Nicole Gnesotto** on Common European Defence and Transatlantic Relations
- **Philip Zelikow** on The Masque of Institutions
- **Robert Grant** on France's New Relationship with NATO
- **Philip H. Gordon** on Recasting the Atlantic Alliance
- **Charles Barry** on Combined Joint Task Forces
- **Review essays** by **Charles Kupchan** and **Gideon Rose**

The Summer 1996 issue of *Survival* will include several articles on Far Eastern and Japanese security issues, plus the regular features:

Book Reviews: The latest and important titles reviewed each quarter.

Letters to the Editor: Stimulating debate on articles from previous issues.
