Dear Karen:

I have recently received the Fire Sense Videos and was able to view them this morning. They are both excellent videos and can certainly be put to good use. Newport News is part of the Peninsula Fire Prevention Council. The Council is comprised of Fire Departments on the Peninsula, (Hampton, James City County, Williamsburg, York County, etc.). This year we presented a Fire Safety Program to the Virginia School for the Deaf and Blind. We plan to make this a yearly event. These videos will be wonderful to use for this presentation!

Thank you again for all of the Support the Tobacco Institute has shown for the Newport News Fire Department. The materials we have received from you have been a great resource for our community.

Sincerely,

Lynn G. James
Fire Education Specialist
