Representative Bloom

offered the following amendment:

Amendment

On page...4..., lines 30 and 31, and on page 5, lines 1-8,

strike all of said lines and insert:

(3) In a workplace where there are smokers and nonsmokers, employers shall develop, implement, and post a policy regarding designation of smoking and nonsmoking areas. Such a policy shall take into consideration the proportion of smokers and nonsmokers. Employers who make reasonable efforts to develop, implement, and post such a policy shall be deemed in compliance. An entire area may be designated as a smoking area if all workers routinely assigned to work in that area at the same time agree. With respect to the square footage in any public place as described in subsection (4) this square footage shall not include private office space which is ordinarily inaccessible to the public.

(4) No more than one-half of the total square footage in any public place within a single enclosed indoor area used for a common purpose shall be reserved and designated as a smoking area, except that this provision shall not apply to employers who otherwise comply with this section. This square footage limitation does not apply to restaurants as defined in s. 386.20(1)(p). However, such a restaurant must ensure that
