Dear Entenmann Teamster Member:

Enclosed is a flyer we have received from the Teamsters International in Washington asking all Teamsters to boycott ENTENMANN'S products because the Company is purchasing Diamond Walnuts - for which there has been a long standing strike.

Entenmann's is a Teamster organized Company, and has been for years working under an excellent contract. To institute a boycott of its products would only result in hurting ALL Entenmann's Teamster members and their families - if sales drop as a result of this boycott.

While we can appreciate the need for a combined effort of support of our brother and sister members throughout the country, we can not do so at the expense of our Entenmann Teamsters. I am, therefore, bringing these facts to your attention.

This is a matter of concern to us, as your Local Union representatives and must also be a matter of concern to you as an Entenmann employee, spouse, family member, friend, or neighbor. Please express your views, and have your family, friends and neighbors, write directly to the International explaining that they are hurting you from continuing to support your family under a Teamster contract that was negotiated in good faith. The address is:

International Brotherhood of Teamsters
25 Louisiana Avenue, N.W.
Washington, DC 20001
Attention: Mr. Ron Carey, General President
and
Attention: Mr. Ron Carver, Director Corp. Affairs

If you have any questions about this situation, please call the International at 202-624-6800 or FAX: 202-624-8798.
