Dear Jim:

**International
Brotherhood of Firemen
and Oilers**

The Tobacco Industry Labor-Management Committee is pleased to announce the continuation of its cooperative effort with the National Energy Management Institute on indoor air quality issues. For the next year, the Committee will support NEMI's Indoor Air Quality Program and its efforts to train unionized contractors and technicians in the emerging field of indoor air quality.

We look forward to continuing our partnership with the unionized sheet metal industry on this most important issue.
