

# TAMPICO

## DEPRESION TROPICAL

The city of Tampico was destroyed and re-built five times. The Teenek, the first people to build Tampico in prehispanic times, believed that time was cyclical and told a story in which a hurricane sent by the Gods wiped out a violent mankind in hopes of creating a new world. As crime and corruption takes hold... Could it be that Tampico is destined to repeat its fate?

SOLDADO

Joven... si le vamos a tener que pedir que se retire a su domicilio. Esta noche van a haber putazos!

IXCUINAN

Ti in pakwlanhij... Yab u t'ajchil.  
Ku tsu'uxinej!
