

Tom:

Monica Breidensjo, who is with the Swedish Conference of Professional Employees (known for some reason as the TCO), a white collar union in Sweden, is in the US for about three weeks and wants to talk to US union people.

Simon Turner of HBI, whom she met when the two participated in a panel discussion on "fresh air in the office environment," offered to introduce her to Bill Borwegan and to you. I've asked that Simon simply refer her to you and you can take it from there.

As I noted, please do not raise the smoking/tobacco link. Or discuss the BC&T involvement.

Thanks. Let me know how that last name is pronounced.
