

IN Hale

⑤ The smell of you lingers

Bleeds out my pain

I cringe I shout I Pray

Put you in a tub and let you bleed out

IN Hale IN Hale IN Hale ... OUT

IN Hale IN Hale IN Hale ... OUT

I Drop to my knees and surrender

to crave your love

my savior

like medicine I need you

I crave you

With your absence I cringe, I shake

I need you

Inhale inhale inhale ... OUT

Inhale inhale inhale ... OUT
