SENT TO ALL MEMBERS OF THE
ASSEMBLY CODES COMMITTEE

February 12, 1982

A.2746 - by Mr. Grannis et al

AN ACT To amend the public health law, in relation to protecting the public health, comfort and environment by prohibiting smoking in certain public places and at public meetings except in designated smoking areas and to repeal article thirteen-F of such law relating thereto

DISAPPROVAL RECOMMENDED

Dear

This firm represents the Tobacco Institute in connection with matters pending before the New York State Legislature.

The above bill is once again to be considered by the Codes Committee on Wednesday, February 17, 1982. This bill would restrict cigarette smoking in public places. This bill has serious constitutional defects.

Enclosed please find our Memorandum of Law with respect to the bill's constitutional defects.

Respectfully submitted,
