

MAPLE

RIGNEYLA
AKHOTSANG

MAPLE WAS ONE
OF THE MANY
DIFFERENT TREES
IN THE FOREST

MAPLE ALWAYS
HAD TO LOOK UP
TO SEE THE
TREES AROUND
HER

WHEN IT RAINED,
MAPLE GOT THE
LEAST RAIN WHILE
THE OTHER TREES
ENJOYED AND
GOT REFRESHED

WHEN IT WAS
SUNNY, MAPLE
MISSED OUT,
BECAUSE THE
OTHER TREES
WOULD BLOCK IT

ONE DAY

.....

THERE WAS
A
TORNADO

WHEN THE
TORNADO CAME,
THE TALL TREES
ALMOST FLEW
AWAY

BUT MAPLE
WAS SAFE
AND SOUND

MAPLE HOLDS ON
TO THE TREES
SO THAT THEY
DON'T FLY AWAY

MAPLE KEEPS
THEM STEADY
UNTIL THE
TORNADO
PASSES.

FROM THAT DAY,
THE TREES MOVED
ASIDE TO LET
MAPLE RELISH IN
THE SUN AND
THE RAIN.
