

“To Me ?”

Young and dumb
Old and numb
What happened to me?

Choices made
Price must be paid
What happened to me?

Stay at home mother
Turned into a prisoner
What happened to me?

Faced with fears
Learned over the years
What happened to me?

Like a flower I bloomed
Overcoming crippling doom
What happened to me/

Starting to get it right
Refusing to give up the good fight
That`s what happened to me
