Council welcomed the existing cooperation between UNAMID and the Government of Sudan. In this respect, Council noted the regular consultative meetings of the Tripartite Committee between the Government of Sudan, the AU and the United Nations, which have proved to be an effective mechanism in addressing all matters relating to the deployment and operations of UNAMID.

Council called on all countries having the necessary capabilities to provide UNAMID with the required key military enablers, including medium transport units, an aerial reconnaissance unit and medium utility and tactical helicopters, to enhance the capacity of the Mission and enable it carry out its mandate more effectively. Council commended the Government of Ethiopia for having agreed to provide five tactical helicopters.

Council stressed the need to take all necessary steps aiming at safeguarding the progress made in the peace process. In this regard, Council called on all the parties to engage in dialogue without pre-condition with a view to reaching a comprehensive and lasting solution, to refrain from any military action, and to extend full cooperation to the Joint Chief Mediator.

Council encouraged the Darfur-Darfur Dialogue and Consultation (DDDC), as a means of ensuring the involvement of all the Darfurian populations' stakeholders in the search for peace and reconciliation, and called for increased financial support to the DDDC process.

Council expressed concern at the risk of deterioration of the humanitarian situation in Darfur. In this respect, Council stressed the importance of continued and adequate delivery of humanitarian assistance in Darfur. Council underlined the need for all concerned to take the steps required to meet the needs of the affected populations and find appropriate solutions to the problems encountered in this respect.

Council expressed concern at the continuing precariousness of the security situation in Darfur, including armed clashes of various nature, acts of banditry, kidnapping of humanitarian workers, which pose additional challenges to the deployment of

UNAMID, the delivery of humanitarian assistance and the overall efforts to promote peace, security and stability in Darfur and the region as a whole.

Council noted with satisfaction the commencement of the work of the AU High Level Panel on Darfur (AUPD), under the chairmanship of former President Thabo Mbeki, with the convening of its inaugural meeting in Addis Ababa, on 18 and 19 March 2009, and the conduct of its first visit to Sudan, from 1 to 4 April 2009. Council stressed the importance of the work of this independent Panel in the overall efforts aimed at promoting peace, justice and reconciliation, and called on all concerned to extend full cooperation to the Panel to facilitate the discharge of its mandate.
