

BATH
TIME!

Every day,

we take

a bath.

First, we turn
on the water.

It might be
LOUD!

Make sure it's not

too

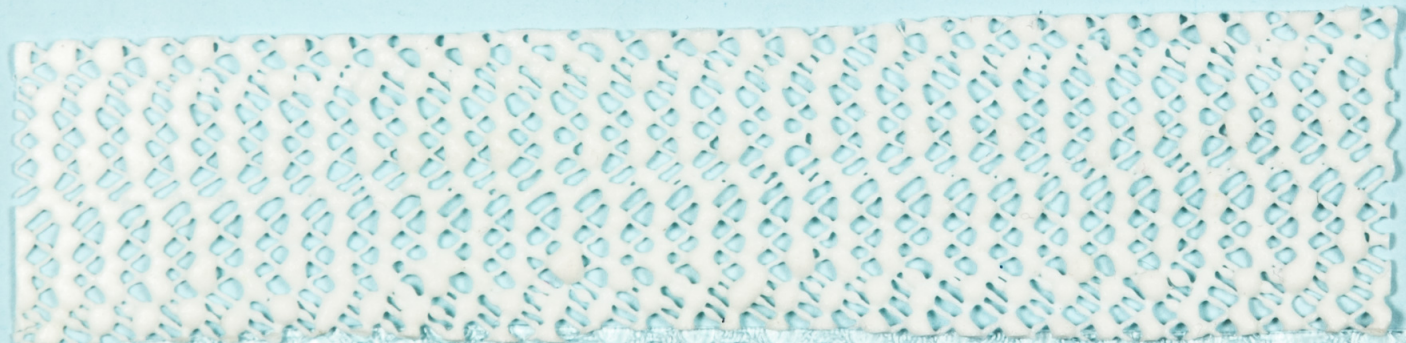

or

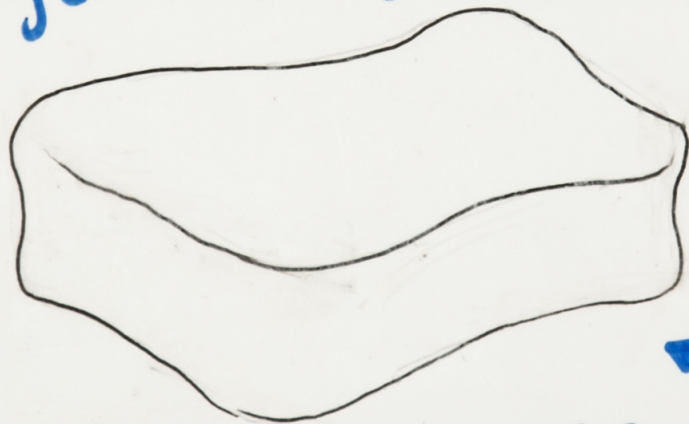

too

Time to get in. Be
careful not to slip!

We need soap to
get all clean.

Give it a sniff

Grab the
poof and
lather
up!

Make sure
to clean
all over.

Time to
rinse off!

Use the
towel to
dry off.

Try using
the comb
on your
hair.

Almost done!

All we have to
do now is get
dressed.

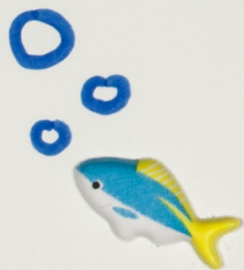

Great
job!

See you
tomorrow!
