

Gods and Monsters

Anthony
Ehlers

I came out of the darkness
but still I couldn't see,
blind and stumbling, searching
for a way to be free

These are my hands
still bound in chains,
no matter how far I've gone
away from the living
away from the sun

I could always feel this cage
Please, tell me all of this fighting,
struggling,
dying

has some sort of meaning
because I can't find the point
in all that I've done

I was so alone,
and I was a lion

but I could not atone
for all my past mistakes
and it's too late to fix it now

what will be will be
and there's a hole in a field

where my body lies
church bells keep ringing
in my ears,

but there's no prayers
can save me

I'm alone

in the land of Gods and monsters
and I can't find my wings
