

“Who I am”

I once settled for Mammon’s gold,

And I have lived at the top of Babel’s tower,

And I have bathed in the vile wake of Satan’s ocean,

I once marked my temple with the stains of darkness,

And I have twisted the boundaries of this fool’s heart,

And I have reveled in the mysteries of despair.

I once eyed the drowning pool of my own muddied mirk,

And I have journeyed to Wit’s End, and ushered in more darkness,

And I have washed in the greed, of my sad stolen Paradise.

Because of who I am... A Sinner.

I once was given to a virgin’s womb,

And I have lived a carpenter’s life, the King of Israel,

And I have been baptized in the waters of Jordon by John.

I once cleared your temple for Righteousness sake,

And I have broken your darkness, to usher in your repentance,

And I have narrowed the Gate to show your pathway home.

I once fulfilled the prophecies, so you would know the truth

And I have stretched out my arms to Death, to give you life,

And I have given you Heaven, to take up my cross.

Because of who I am... Jesus Christ.

I Am the Alpha and the Omega, the beginning and the end, the One true God,

I have created the Heavens and the Earth, all things that were made I made them,

And I have given mankind his breath, yet only for my glory,

Only I may do so, None other, No not one. Without my word, even the Seven Seals remained closed.

And I rule the thrones of Heaven, with love, mercy, and grace,

And I have the keys to Heaven, Hell, Death and Life,  
I broke the Darkness, and created the tree of Life in the Garden of Eden,  
And I have written the names of my people in the Book of Life, all with only my word,  
And I have given you my word, as well as my Only son, so you might live, Forever with  
me.

Because of who I am...Almighty God
