Subject: Indoor Air Pollution Questionnaire

Attached you will find a copy of the Service Employees International Union,s, (SEIU), Factsheet on indoor air pollution and a questionnaire I obtained at the Consumer Federation Union Meeting, see trip report of April 2, 1991.

Mr. Bill Borwegan, an industrial hygienist with SEIU, conducted the survey and prepared the factsheet. He also was instrumental in getting the ASHRE standard adopted by the legislatures in Maine and New Hampshire. I am sending this to you for your consideration because I believe it would make an interesting story for HBI's publication.
