Dr. Paul A. Cammer
Business Council on Indoor Air
1225 19th Street, N.W.
Suite 300
Washington, D.C. 20036

Dear Dr. Cammer:

Further to the initial meeting of the BCIA held on September 22, I have reviewed the articles and objectives of the council, along with the proposed budgets.

ACVA Atlantic Inc. is pleased to accept the 1988 budget, and your invitation to become a fully participating member of the BCIA. I hope we will be able to put our extensive experience and background in indoor air quality consulting to good use within BCIA and make a positive contribution to its success.

Please provide us with details of new members as they join BCIA and supply us with an invoice for our share of the 1988 operating budget at your convenience.

Yours sincerely,

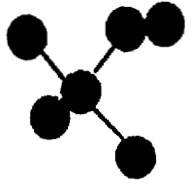

Gray Robertson
