Dear Ms. Buckley:

On behalf of the Austin Fire Department I wish to thank you for the Firecare and Fire Safety Education Evaluation Survey materials.

I have used the Firecare slide presentation and have received a very favorable response to the quality of the presentation. It is very informative and it covers many important areas of firesafety.

The Evaluation Survey has not yet been implemented but we are looking forward to introducing it at our fire safety presentations to adults very soon. These materials are a valuable addition to our section.

Again, thank you for your generous contribution to our community.

Sincerely,

Bill Miller
Lieutenant
Public Education Section
Austin Fire Department
