

MEMORANDUM

September 13, 1985

To: Peter Sparber
Fred Panzer ✓
From: Bill Cannell *BC*
Subject: Health Care Costs

Here are the "action" items from our meeting this week. Add any I might have missed.

Our staff will be discussing this issue next week and will react to items #1, 2, and 3.

#4 is in your court.

Attached is a list of our state lobbyists who represent hospitals and/or hospital associations (#5). Let us know, please, when you need to check their contacts within the National Committee. We ought to at least open the door from here.

#6 is everyone's ongoing project.

#7 is ours--it may best be done at the lobbyist meetings.

You will probably want to send Rick a copy of the attached lobbyist list.

We do appreciate your concern on this issue.
