

JUBA COMMUNIQUE

KEJIKO II Church and Government Forum

We the Sudanese Church Leaders and our Government of Southern Sudan, meeting in Juba from 5 – 7 October 2010, under the Theme: *Let Us Start Rebuilding: Nehemiah 2:18*

Inspired by the spirit of Kejiko 1 Conference between the Church and Sudan People's Liberation Movement and Army (SPLM/SPLA) held in July 1997,

Concerned about the current political situation in our country,

Conscious of our joint responsibilities to ensure a better life and prosperity for all our people,

Aware of the serious challenges facing our nation in which Sudan will never be the same again,

Thankful to God for answering the prayers of the people by inspiring the President to call for reconciliation among our people and issuing executive pardons to all those who took up arms against the Government of Southern Sudan,

Appreciative of the role played by all our partners and all those who supported and stood with us in our struggle for peace, justice, freedom and dignity,

Committed to the implementation of the Comprehensive Peace Agreement in letter and spirit,

Hereby commit ourselves to:

1. Working together to ensure that the referenda in Southern Sudan and Abyei are held on January 9 2011
2. Creating a conducive environment for a free, fair and transparent referenda and popular consultations in Southern Kordofan and Southern Blue Nile
3. Working together in all existing mechanisms on referendum and post referendum arrangements
