
Recent Publications by the Fletcher Community

The Fletcher School, established in 1933, is the oldest school in the United States devoted exclusively to the graduate study of international affairs. The Fletcher School aims to provide high-quality, interdisciplinary instruction and research in the fields of law, diplomacy, economics, history, politics, business, and regional studies. In an effort to provide a wider audience for the innovative research done by The Fletcher School's faculty, students, and recent graduates, *The Fletcher Forum* publishes a list of recent publications by the Fletcher community in each issue.
